

SAN DIEGO

HOTEL DEL CORONADO

CALIFORNIA

Located on 28 oceanfront acres on the island of Coronado, the legendary Hotel del Coronado is San Diego's premier meeting destination. The Del offers 65,000 square feet of meeting space that seamlessly blends Victorian elegance with up-to-the-minute technology. The variety of unique indoor, outdoor and oceanfront settings combine to create memorable events, from meetings and conferences to retreats and team-building programs.

In 2007, this National Landmark unveiled over \$150 million in luxury enhancements including: a world-class Spa with 21 treatment rooms, an expansive private terrace and vanishing edge pool overlooking the Pacific; a brand new state-of-the-art Fitness Center and several exciting restaurants and upscale shops. Also, debuting was Beach Village, which features 78 exclusive ocean view guestrooms and suites, a private enclave with pools and hot tubs, front desk and concierge service and access to all of the resort's amenities. The guestrooms in the contemporary Ocean Towers and California Cabanas were also completely renovated to reflect the resort's ocean-inspired setting. 1500 OCEAN, the signature restaurant, featuring Southland coastal cuisine, premiered in May 2006 and was voted 'best new restaurant' by *San Diego Magazine*.
