And every aspect of a Barton Creek event is made that much more memorable with a touch of genuine Texas hospitality.

Meet the extraordinarily Austin spirit of Barton Creek Resort & Spa.

EXTRAORDINARILY FOCUSED

It begins with space – flexible, sophisticated and more than 43,000 square feet of it. There's the magnificent Darrell Royal Ballroom for the largest of gatherings. Boldly handsome boardrooms. More than 26 meeting rooms and conference suites. And the Forum Amphitheater with tiered seating and all the technology you need for the most high-powered productions.

From high-level executive retreats to multimedia stage presentations, every event at Barton Creek is skillfully executed. Our Certified Meeting Professionals uphold the standards of excellence by assisting with every detail. A full-time production staff backs each meeting with broadcast-quality video and audio, computer graphics and more, while our Business Center provides a complete range of office services. Wireless high-speed internet access throughout the meeting space lets groups instantly connect to the outside world. It's a formula that has earned Barton Creek a perennial spot among the meeting industry's top award winners.

Republic Boardroom

EXTRAORDINARILY MEMORABLE

Whether it's a formal reception or a laid-back Texas barbecue, our distinctive settings and attentive service make every event just that – a true event. Gala affairs reach the right note of grandeur in the expansive Darrell Royal Ballroom, with its equally expansive views of the Texas Hill Country and its adjoining Wildflower Atrium. More intimate gatherings are perfectly partnered with the exclusive Governor's Ballroom.

Evening breezes enhance events on the covered outdoor pavilion, as the sun sets over a spectacular Hill Country landscape. Al fresco affairs can also be held poolside, on a patio by the resort's sparkling swimming pool with its natural rock formation. And for an event that could be nowhere but Barton Creek, the distinctive Rock House offers a sophisticated setting by the Fazio Canyons golf course. This Texas ranch house and its stately front porch are perfect for corporate golf gatherings or evening cocktails.

EXTRAORDINARILY ACCOMMODATING

At the end of the day, Barton Creek's elegantly appointed guest rooms and suites are a welcome retreat. Boasting spectacular views of the Texas Hill Country and luxurious relaxation, they feature every modern comfort, including multi-channel 42" flat-screen televisions with in-room movies, Nintendo® games, sumptuous robes and a fully stocked refreshment center. Guests will find everything they need to stay in touch with home and office, from a large desk with enhanced lighting to high-speed Internet access.

EXTRAORDINARILY TASTEFUL

Whether it's a catered affair or an informal, late-night bite among colleagues, dining at Barton Creek is a highlight of any event. At the AAA Four-Diamond Hill Country Dining Room, award-winning cuisine shares the spotlight with spectacular views and a wine list that has earned the Wine Spectator Award of Excellence. The 8212 Wine Bar & Grill® showcases Texas favorites and regional specialties and an extensive wine-by-the-glass menu, while Bartons lounge is a popular place for attendees to unwind with a local brew and a game of pool.

EXTRAORDINARILY CHALLENGING

Perfectly suited for group tournaments or a leisurely round, our four championship layouts include two of the top-rated resort courses in Texas, and set a standard of excellence for all Texas golf resorts. Experience world-class play, first-rate service and all the rugged beauty of the Texas Hill Country on courses designed by the masters of the game.

Every turn on our signature Fazio Foothills and its companion, Fazio Canyons, presents new challenges and spectacular views. The traditional links style of Crenshaw Cliffside seems carved out of the natural terrain, while just 25 minutes from the resort, Palmer Lakeside beckons with its breathtaking views of Lake Travis.

Meeting attendees can also benefit from one of Texas' top-rated golf schools: The Barton Creek Golf Academy. Here, they can improve their game through a wide variety of classes and private instructional opportunities designed for players of all levels. And our elite caddie program puts expertly trained caddies and forecaddies at your attendees' service on 24-hours' notice, seven days a week. Familiar with every hole of every course, they'll assist with reading putts, calculating yardage, locating lost shots, raking bunkers and more, letting golfers focus on the game without distraction (that is, if they can keep their eyes off the spectacular scenery).

EXTRAORDINARILY FUN

What happens outside the boardroom is as crucial to a meeting's success as the work within. Here, too, Barton Creek delivers in style, with opportunities for play that go far beyond the golf course.

A fully equipped fitness center keeps workouts on track. Eleven lighted hard-surface courts beckon tennis enthusiasts. Sparkling pools and nature trails invite attendees out-of-doors, and our ropes course and team-building activities will keep your group working together like a well-oiled machine.

For a distinctively Texan indulgence, The Spa at Barton Creek tempts with classic treatments infused with Hill Country botanicals. This serene sanctuary has earned international acclaim, including the "Number 2 Spa in North America, Caribbean and at Sea" by the readers of Condé Nast Traveler.

For an evening out, downtown Austin awaits with its endless array of colorful shops, restaurants and internationally renowned live music scene – all just minutes away from Barton Creek Resort & Spa.
