LA COSTA
RESORT AND SPA®

CALIFORNIA

La Costa Resort and Spa is a legendary resort in the rolling coastal hills of Carlsbad, California. Its 400 beautifully landscaped acres are blessed with year-round sun and the constant caress of sea breezes.

White adobe, red-tiled roofs and cascading fountains evoke the Old World charm of a Spanish Colonial village, yet this is a resort on the leading edge. High-speed Internet access, flat screen TVs, iPod® Suites, and a \$150-million renovation bring you a fresh, modern travel experience. Home to the nation's first full-service resort spa in 1965, La Costa Resort has unveiled the all-new Spa at La Costa, whose world-class offerings are complemented by the renowned Chopra Center for Well-Being.

La Costa offers 100,000 square feet of function space, including a variety of outdoor venues that capitalize on the ideal climate and inspiring views. La Costa's meeting facilities are matched by outstanding recreation, including two award-winning PGA tournament courses, a 17 court tennis center, sparkling outdoor pools, Splash Landing, shops and boutiques, Kidtopia—a club for kids, and Vibz for teens. The beach is just minutes away, and San Diego's myriad attractions within a half-hour drive.
